07 Personality

Life goal

To grow professionally and be a reliable support for his family. To leave useful things behind — from engineering projects to planted trees.

Weaknesses

Бываю чрезмерно погружён в работу. Не всегда легко переключаюсь на отдых.

Proud of

Горжусь семьёй и профессиональными проектами, которые работают и приносят пользу людям.

What he would change about himself

Хотел бы быть более спонтанным и чаще позволять себе отдых без планов.

Regrets

Жалею, что поздно начал заниматься спортом всерьёз — сейчас это часть жизни.

Strengths

Спокойствие, системное мышление, надёжность. Дожу начатое до конца и держу слово.

Fears

Боюсь подвести близких. Стараюсь планировать наперёд, чтобы этого не случилось.

What she likes most about herself

Умение сохранять спокойствие в сложных ситуациях и находить практичные решения.

Plans for the next 5 years

Вырасти до руководителя направления, построить дом, больше путешествовать с семьёй.

Childhood memory

Поездки с отцом на рыбалку ранним утром: туман над рекой и первый костёр.

08 Interests

Сбалансированный

Diet

Engineering, aeromodelling, hiking, chess

Interests

Плавание, лыжи, велоспорт

Sports she practices

Альпинизм, парусный спорт

Sports she's interested in

Столярная мастерская, шахматы, велопоходы

Рок, классика

Favorite music

Important information

This profile is provided for information purposes within the DELTA clinic donor programmes. An enquiry about this profile is a request for a consultation and does not constitute a purchase, payment or reservation of biomaterial. A decision to take part in a programme is made only after a consultation with a doctor. The donor's personal data is protected: the profile is anonymised and the donor is identified by number only.
